Services Catalog

**Grow critical skills, enhance security,
and drive business outcomes**

In today's evolving digital landscape, threats are becoming more sophisticated by the minute. Gartner predicts that in 2025, human error or lack of talent will be responsible for over half of all significant cyber incidents (*source: Gartner, February 2023*). Okta's training and certification programs are here to help you gain the necessary skills to enhance your Identity posture.

**Access foundational knowledge with
Okta Learning**

Our public, no-cost, on-demand resources help teams gain valuable knowledge to boost productivity, confidently stay ahead of evolving security threats, and deliver more business value.
