

Okta Certification Exams Promotional Pricing

Holiday promotion: Through January 2021

From December 15, 2020 through January 31, 2021, we are offering massive discounts on our core certification exams. (Psst—looking for a discount on our Okta Professional exam? Look below for a special promotion we'll be running at Oktane21.)

Through January 31, get:

- \$200 off (that's 80% off!) the Okta Administrator Certification Exam with promo code **(OKADC514DB)** - Price with discount: **\$50**
- \$200 off (that's 80% off!) the Okta Developer Certification Exam with promo code **(OKDE24F91A)** - Price with discount: **\$50**
- \$250 off (that's 83% off!) the Okta Consultant Certification Exam with promo code **(OKCO1A038E)** - Price with discount: **\$50**

If you are a developer who is considering validating your Okta skills by earning the Okta Developer Certification, or you are an administrator who is interested in earning an advanced Okta certification, take advantage of these great offers now.

These offers expire on **January 31, 2021**, and they will not be extended under any circumstances. Make the most of these offers by signing up for multiple exams. You can also share these discount codes with your colleagues.

To take advantage of any of these offers:

- Register for your exam now through [Examity](#) with the promo codes above. ***These offers are only available on Okta certification exams purchased exclusively through Examity.***
- Take your exam by **January 31, 2021**.

Take your Okta Certification Exam 24/7 from anywhere at any time. But, before you do, we recommend you read the study guide for the associated exam and take a free practice exam. You can find them [here](#). If you are pursuing your first Okta Certification, please read this short article on the [Six Simple Steps to Earn Your First Okta Certification](#).

Please note, if you take an exam and do not pass, the standard retake policy and retake fee of \$100 apply. Furthermore, these discount codes do **NOT** apply to the Okta Professional Certification Exam, Okta Certification Maintenance Exams, and Okta Certification Premier Practice Exams.

Oktane21 Professional Certification Exam bundle promotion: Early-bird pricing through February 28, 2021

We will offer a special discount on a unique Okta Professional Certification Exam package that includes preparation activities at Oktane 2021.

Get certified as efficiently as possible with an all-in-one test prep and exam session before the Oktane21 conference.

After four hours and 30 minutes of hands-on technical tune-up, it is off to the races where you will prove your skills on the Okta Platform. For up to 90 minutes, you will navigate, progress through checkpoints, and demonstrate your Okta knowledge in a live environment. Cross the finish line with enough points and you will be awarded the Okta Certified Professional Certification.

Through February 28, 2021, get early-bird pricing to save \$100 on this special exam prep and testing bundle.

You can learn more and register [here](#).
