

You're Invited to Okta's Customer Experience Center

Join us for an in-depth analysis of your business goals.

We offer virtual executive briefing engagements to accommodate your business needs. Dive deeper into our product roadmap and meet with Okta's top executives and subject matter experts for tailored discussions designed around your identity management objectives and company vision.

During your virtual briefing, you can expect:

- Tailored agendas addressing your specific goals and objectives
- Interactive, customized presentations from Okta's executives and subject matter experts
- Collaborative discussions around Okta's vision and a look into what's next on our roadmap
- Relationship building with your peers and executive alignment
- Virtual Okta demonstrations

 **Where?** A Zoom video conference link will be sent.

 **When?** Any time. We work around your schedule.

 Email ebc@okta.com to learn more.
