Customers and Partners can earn the Okta Certified Professional by taking and passing either the Okta Professional Hands-On Configuration Certification exam or the Okta Professional Certification exam. Both exams are equivalent in difficulty. The difference in exams is that one consists of hands-on configuration tasks and one consists of discrete-option multiple-choice (DOMC) items. **Only one of these exams should be taken**.

Discounts are available when exams are purchased through Examity.

Customers and Partners must use the appropriate promo code when purchasing exams.

Customers and Partners must register for and take exams by **December 31, 2021**.

Discounts **only** available on the exams listed above.

Please use **Retake Code 1** to retake an exam if you fail, and if you need to retake that same exam again, please use **Retake Code 2**.

All exams listed above are administered and proctored online through Examity and can be taken 24 x 7.
