How to Subscribe to Receive Notification of Change in Sub-processors:

If you are a current Okta customer with a data processing agreement in place with Okta, you may subscribe to receive notifications of new Sub-processor(s) for each applicable Okta Service before Okta authorizes any new Sub-processor(s) to process personal data in connection with the provision of the applicable Service.

You can subscribe to receive email notifications for changes to Okta Sub-processors by emailing the following information to subprocessors@okta.com:

- Customer Name
- Customer Address
- Executed copy of the Customer-Okta data processing addendum

To edit your email notification information, please re-submit a request to subprocessors@okta.com with the subject title “Change in Contact Information” to Okta.

Right to Object to New Sub-processor:

A customer with a data processing agreement in place with Okta may object to Okta’s use of a new Sub-processor by notifying Okta promptly in writing within ten (10) business days after receipt of Okta’s notice in accordance with the mechanism set out above. If you object to a new Sub-processor, and that objection is not unreasonable, Okta will use reasonable efforts to make available to you a change in the applicable Service or recommend a commercially reasonable change to your configuration or use of the applicable Service to avoid processing of personal data by the objected-to new Sub-processor without unreasonably burdening you. If Okta is unable to make available such change within a reasonable time, which shall not exceed thirty (30) days, you may terminate the applicable Order Form(s) with respect only to those Service(s) which cannot be provided by Okta without the use of the objected-to new Sub-processor by providing written notice to Okta at:
