

DATA PROCESSING ADDENDUM

Based on the General Data Protection Regulation (GDPR) and European Commission Decision 2021/914/EU - Standard Contractual Clauses

This Data Processing Addendum (“DPA”) forms part of the Master Subscription Agreement (or other such titled written or electronic agreement addressing the same subject matter) between Okta and Customer for the purchase of online identity-as-a-service and access management services (including related Okta offline or mobile components) from Okta (identified collectively either as the “Service” or otherwise in the applicable agreement, and hereinafter defined as the “Service”), wherein such agreement is hereinafter defined as the “Agreement,” and whereby this DPA reflects the parties’ agreement with regard to the Processing of Personal Data. Customer enters into this DPA on behalf of itself and, to the extent required under applicable Data Protection Laws and Regulations, in the name and on behalf of its Authorized Affiliates, if and to the extent Okta processes Personal Data for which such Authorized Affiliates qualify as the Controller or a Processor. All capitalized terms not defined herein shall have the meaning set forth in the Agreement. In providing the Service to Customer pursuant to the Agreement, Okta may Process Personal Data on behalf of Customer, and the parties agree to comply with the following provisions with respect to any Personal Data.

This DPA consists of distinct parts: (1) this body and its set of definitions and provisions, and (2) the Standard Contractual Clauses and Annexes I, II and III (if applicable). Please note that the Controller-to-Processor and Processor-to-Processor Standard Contractual Clauses are included by reference and their full text, including an Annex III addressing data transfers with Switzerland and the United Kingdom, is available via a link in the definitions of this DPA.

INSTRUCTIONS ON HOW TO EXECUTE THIS DPA WITH OKTA

1. This DPA has been pre-signed on behalf of Okta, Inc., as the data importer.
2. To complete this DPA, Customer must complete the information in the signature box and sign on Page 8.
3. Customer must send the completed and signed DPA to Okta either by (1) email, indicating the Customer’s full entity name (as set out on the applicable Okta Order Form or invoice) in the body of the email, to DPA@okta.com; or (2) by completing the DPA digitally, via the link at the following webpage: <https://www.okta.com/trustandcompliance> . Upon receipt of the validly-completed DPA by Okta at either the email address in part (1) or via the web as described in part (2) of the prior sentence, this DPA shall come into effect and legally bind the parties.

APPLICATION OF THIS DPA

If the Customer entity signing this DPA is a party to the Agreement, then this DPA is an addendum to, and forms part of, the Agreement. In such case, the Okta entity (i.e., either Okta, Inc. or a subsidiary of Okta, Inc.) that is party to the Agreement is party to this DPA.

Factoring into account the nature of the Processing, Okta shall assist Customer by appropriate organizational and technical measures, insofar as this is possible, for the fulfilment of Customer’s obligation to respond to a Data Subject Request under Data Protection Laws and Regulations.
