

ORDER FORM SUPPLEMENT FOR GOV CLOUD CELL

This Order Form Supplement for GovCloud Cell governs your acquisition and use of subscriptions to the GovCloud Cell and related services. By executing an Order Form that references this Order Form Supplement or otherwise accepting it, you (hereafter “Customer” or “you”) agree to the terms of this Order Form Supplement.

1. Customer is responsible for satisfying eligibility requirements set forth by Okta for using the GovCloud Cell, which are available at <https://www.okta.com/trustandcompliance/> and may be updated from time to time by Okta. In addition, Customer is responsible for satisfying any applicable eligibility requirements and terms for using the GovCloud Cell within the Amazon Web Services (“AWS”) GovCloud (US) Region and made available at <https://aws.amazon.com/service-terms/>, which may be updated from time to time by AWS.
2. The GovCloud Cell may not be used to process or store classified data. Customer will be responsible for all sanitization costs incurred by Okta if Customer introduces classified data into the GovCloud Cell, and such liability of Customer shall be exempt from the limitation of liability set forth in the Agreement.
3. Any assurances associated with Okta’s GovCloud Cell apply only with regards to the GovCloud Cell’s environment within AWS, and not to those of any of Okta’s other infrastructure service providers, a list of which can be found at <https://www.okta.com/trustandcompliance/>, within the “Sub-processor Information” document.
