

Let's Talk About You

Join us for a virtual, in-depth analysis of your business goals.

In case you missed us at Oktane Live or would love to discuss your business goals further, we are offering virtual briefings to accommodate any of your needs. Discover new product announcements and meet with our top executives and subject-matter experts for a day designed around your company vision. Join us so that we can partner to achieve your goals!

During your virtual briefing, you can expect:

- Tailored agendas, addressing your specific goals and objectives
- Interactive, customized presentations from Okta's executives and subject-matter experts
- Collaborative discussions on our vision and a look into what's next on our roadmap
- Relationship building with your peers
- Virtual Okta demonstrations

 **Where?** A Zoom Video Conference link will be sent.
